## **GENERAL INFORMATION**

- I. Under the provisions of Act 388 of the Acts of the 1947 General Assembly of Arkansas, the State of Arkansas levies an estate tax on estates of resident and nonresident decedents. In the case of resident decedents, the amount of tax due the state of Arkansas is equal to the Federal Credit Allowable for State Death Taxes as determined by Table B of the United States Estate Tax (reproduced here). The amount thus determined is the Arkansas Estate Tax. This tax is item 5 on the Arkansas Estate Tax Return Form.
- II. In the case of the estate of a resident or a non-resident who dies having real property an/or tangible personal property located in a state other than Arkansas, the Arkansas tax due shall be a proportionate part of the Federal Credit Allowable for State Death Taxes in the same proportion which the amount of Arkansas property bears to the total estate. The tax is item 10 on the Arkansas Estate Tax Return Form.
- III. In all instances of estates required to file a Federal Return with assets totally or in part in Arkansas, an Arkansas Estate Tax Return shall be filed with the Director of the Department of Finance and Administration nine (9) months after the date of the decedent's death. A copy of the Federal Return may be filed in lieu of the Arkansas Return herein specified.
- IV. No Estate Tax Return need be filed with the Director of the Department of Finance and Administration of this State unless a Federal Estate Tax Return is required to be filed under the Federal law. If a request is made for a release for real estate, however, an Arkansas Estate Tax Return will be required.
- V. Upon payment to the Director by the taxpayer (executor or administrator of the estate) the amount due this State and receipt of a copy of the Federal closing letter, there shall be issued to said taxpayer a Certificate of such payment in accordance with the requirements of the Federal agents for obtaining the proper credit on said Federal tax.
- VI. Interest on unpaid Arkansas Estate Tax accrues at ten percent (10%) per annum beginning nine (9) months from the date of death.
- VII. Arkansas has no inheritance or gift tax.

## **INSTRUCTIONS FOR COMPLETION OF AR321**

Executor's Social Security Number – Only individual executors should complete this Line. If there is more than one individual executor, all should list their Social Security Numbers on an attached sheet.

- Line 1 Should contain the total gross value of all assets of the decedent (i.e. real estate, stocks and bonds, mortgages, notes and cash, insurance on decedent's Life, jointly owned property, other miscellaneous property, transfers during decedent's life, powers of appointment, and annuities) from Part 5, Recapitulation, page 3, Line 10 of the Federal Return.
- Line 2 Should contain all allowable deductions, from Part 5, Recapitulation, page 3, Line 23, of the Federal Return.
- Line 3 Subtract Line 2 from Line 1 and enter on Line 3.
- Line 4 Subtract \$60,000 from the amount on Line 3 and enter remainder on Line 4.
- Line 5 Refer to the Table reproduced in these instructions and compute Credit for State Death Taxes (Page 1, Line 15 of the Federal Return).
- Line 6 Through Line 10 needs to be completed only when decedent owned property in multiple states. If any portion of the property of the estate is located in another state or states, and the other state or states participates in the Federal Credits Allowable, then the Arkansas tax shall be the proportional part of the Credit Allowable as the Arkansas property bears to the entire estate; provided that if the other state or states shall have a reciprocal provision as to nontaxability of property of nonresidents, then in that event all Federal Credit Allowable shall be paid to the State of Arkansas.

The formula to use in computing the pro-rata portion of the Federal Credit Allowable due to the State of Arkansas is contained on Line 10.

Federal Schedules pertinent to Arkansas Property must be attached to this return.
